The Honorable Tom Latham

INSIDE MAIL

Dear Chairman Olver and Ranking Member Latham:

I am requesting funding in the FY 2010 Transportation-HUD Appropriations bill from the New Starts account for the Dulles Corridor Metrorail Project. The entity to receive funding for this project is the Metropolitan Washington Airports Authority, located at 1 Aviation Circle, MA-14, Washington, D.C. 20001. The funding would be used for extending the Metrorail system through Tysons Corner to Washington Dulles International Airport. This will continue an important effort that began in 1999. I certify that this project does not have a direct and foreseeable effect on the pecuniary interests of my spouse or me.

I hereby certify that this request will be made publicly available on my official Web site as required by Chairman Obey's new Committee policy that only posted requests will be considered.

Consistent with the Republican Leadership's policy on earmarks, I hereby certify that to the best of my knowledge this request (1) is not directed to an entity or program that will be named after a sitting Member of Congress (2) is not intended to be used by an entity to secure funds for other entities unless the use of funding is consistent with the specified purpose of the earmark, and (3) meets or exceeds all statutory requirements for matching funds where applicable. I further certify that should this request be included in the bill, I will place a statement in the *Congressional Record* describing how the funds will be spent and justifying the use of federal taxpayer funds.

Sincerely,

Frank R. Wolf  
Member of Congress
